KATRINA WEBB

AN EXPERIENCE LIKE NO OTHER

Join leadership and personal mastery consultant Katrina Webb OAM for a transformative trip of a lifetime in Nepal from **1st to 9th May 2024**. For **8 days** there is no agenda to worry about, no time schedule to follow, no smart phones to answer and no decisions to make.

All this is done for you to allow you to focus fully on letting go and reconnecting with yourself and what is truly important to you personally and professionally.

The program is made up of five powerful ingredients: human connection, nature, experiential learning, reflection and spirituality.

INCLUSIONS & INVESTMENT

We work in partnership with Leadx Nepal and Charity Expeditions Nepal to deliver a local and unique program.

We visit several UNESCO World Heritage sites in Kathmandu, live in a mountain village, trek above the clouds, and connect and learn from Nepali business, government and spiritual leaders.

The program is calming, thought provoking and magical. We have **12 spots available** to join Katrina for this life changing Leadership Program.

INVESTMENT: \$4,500 AUD per person twin share accommodation plus flights and insurance. A non-refundable deposit of **\$500** secures your place with final payment due by **1 March 2024**.

HOW IT WORKS

Insurance is necessary to attend the program. Insurance needs to include a medi-vac up to 4000m above sea level. We recommend you visit your own travel doctor for travel advice.

Holidays of Australia and the World can help with booking your flights into Kathmandu and relevant insurance cover. For more information, please contact

Please arrive for an **9.00am start time on May 1st**. Accommodation is included for the evening of **30th April** if required. The program **finishes 5.00pm May 9th**.
